

## Year 7 and 8 English – Remote Learning Summer Term

For the final half term of the year, students will be set specific work through MS Teams or email by their English teacher. These resources have been designed by the English Department, in order to consolidate skills from this year, and to cover any content they have missed during school closure.

These will be from the list of booklets and resources which can be found on the website:

### Year 7

1. 'Survival' booklet – non-fiction and fiction
2. Understanding writers' choices - fiction
3. Introduction to Shakespeare
4. Persuasive / descriptive writing skills

### Year 8

1. Poetry from different cultures
2. *Women who changed the world*
3. Persuasive / descriptive writing

Students will be set tasks from one of these booklets, or an amended version, by their teacher with specific deadlines and expectations. Please can you encourage students to check MS Teams and emails from their English teacher so that they know what they should be doing, and what deadlines they need to have tasks completed by.

Should you have any questions or queries, please contact your English teacher through MS Teams or by email:
