

Bollywood

Bollywood is a blend of Bombay and Hollywood. It is the name of the Indian film industry based in Mumbai (Bombay.)

Bollywood films generally fall under the musical film genre.

Bollywood dance moves include lots of hand movements and body movements. It also includes lots of spins and sometimes some lifts.

Bollywood dance moves are executed slowly and perfectly they also put a lot of emphasis on the movements.

Bollywood costumes are usually made of brightly coloured materials also they are very distinctive.

Formations in a Bollywood dance can vary from rows to layers to two people in the middle and more around the outside. Not all dances are just in one formation there are lots of different ones.
