

Year 10 - History Work

Task:

Complete the USA workbook which has been printed and given to you. If you are unsure on some of the tasks, then use the revision guide to help you. This can be found on the school website.

Once you have completed USA then continue to complete all tasks for your *Germany* booklet.

Ensure you RAG the topics first and focus on the topics that you are weakest in.

If you require more resources, then you can use the following websites.
