

Learning Objectives

- Can I explain how ethics is used in sport and provide practical examples to support your understanding?

What does being ethical mean (in terms of sport)?

Being ethical in sport is to p..... by the r..... and to show high m..... standards in your b..... Sport should be a f..... activity, with everyone having an e..... o..... to apply their a..... in whatever activities they are performing.

Three aspects that can affect ethics in sport include:

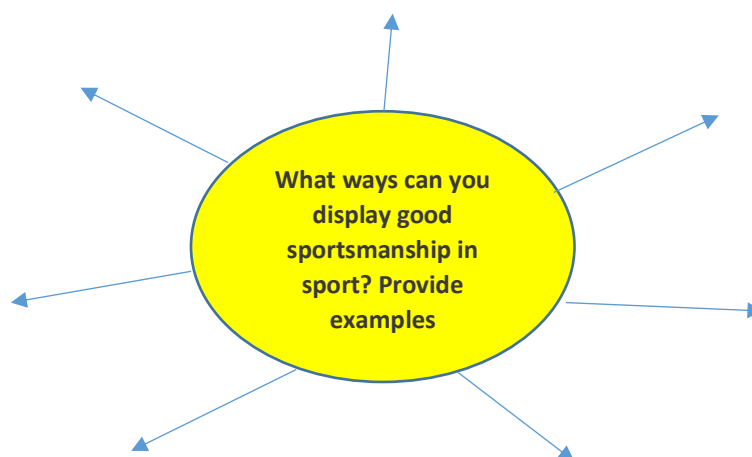

- | | | |
|------------------|---|---|
| 1) Sportsmanship | } | All covered in the new GCSE PE curriculum |
| 2) Gamesmanship | | |
| 3) Deviance | | |

Sportsmanship

Sportsmanship involves and Those who show good sportsmanship stick to the and but also show they can lose and with good humour.

Rules**Gracefully****Regulations****Fairness****Generosity**

<https://www.youtube.com/watch?v=t3pf6OHCVR0> - Positives and negatives examples of Sportsmanship in sport

Remember the Brownlee brothers last year – Is family is more important than winning?

<https://www.youtube.com/watch?v=v20TXLZ81ck>

Task: Would you do the same? Provide an argument to support your decision.

Gamesmanship

This is the use of, although often, methods to win or gain a
..... in a game or sport.

Illegal serious unethical advantage

In many sports, competitors are seen to 'b..... t..... r.....' or to put aside sportsmanship and use gamesmanship to seek an u..... a..... . There are those who may c..... within the sports competition but in a subtle way that is difficult to c..... by the rules.

Examples of gamesmanship could be diving in the penalty area in a football game or pushing a fellow athlete in a middle distance athletics event.

Task

In your chosen sport, how do athletes use gamesmanship to improve their chance of winning?

Sport:

- *
- *
- *
- *
- *

Deviance

This involves human behaviour that is against your society's norms and values. Behaviour of this kind is often against the law.

Other than violence..... what other ways is deviance displayed in sport in the present day? Please provide practical examples (use table below)

| Different types of deviance | Practical Example |
|-----------------------------|-------------------|
| | |
| | |
| | |
| | |
| | |

Group Task -

- 1) Is it right that Usain Bolt was stripped of one of his Olympic relay gold medals because his teammate was caught taking drugs?
- 2) Is it the athletes fault if their coach has given them an illegal substance without telling them?
- 3) Why are some types of deviance deemed worse than others?
- 4) Have you ever thought about cheating in sport? If so how?
- 5) Are the rewards associated with winning worth being deemed a 'cheat' for the rest of your life?
