<b>Year 8: Where is my homework set?</b>	All homework instructions are given on paper and assignment is added on MS Teams on their class page.	Teacher sets appropriate homework task from our Prepare / Consolidate / Deepen sheet and the students record set homework in their planners. Students will receive feedback on one of their homework tasks in the form of an effort grade (From 1-5) from the teacher, with the other being peer-assessed with the preface 'HW' to signal that it is homework.	Teacher sets homework on mymaths, www.mymaths.co.uk maths watch www.mathswatch.co.uk These are websites that students have passwords for in their planner and homework books.	Set by teacher online using either Kerboodle or Seneca, or another task may be set (e.g. pre-unit quiz, making a model cell, revision). Details will be put on MS Teams.	Homework is set in planners, and teachers may post the task on MS Teams as a reminder. Homework tasks may be a variety of tasks from worksheets, revision sheets in Geography Books as well as using online platforms such as BBC Bitesize and Seneca. Teacher will mark, dates and give a HW effort grade (KS3) and/or an exam mark grade (KS4) and a formative target on homework produced in books.	At KS3, Teacher sets appropriate homework task (Prepare / Consolidate / Deepen) based on the current, or upcoming, topic that they are studying. This is set in student planners and resources are on MS Teams. The teacher marks homework based on the success criteria provided when the homework is set. At KS4, students are set exam questions or revision tasks to consolidate learning and help develop skills and knowledge.
