

Individual homework

Expectation is this homework takes an hour minimum and is a comprehensive and formal piece of work.

Task one:

Write a nine mark question for the knowledge learnt over the past week and answer it.

Task two:

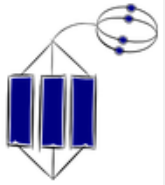

Research a business news story which focuses on a decision made in Business. Evaluate whether this decision will be beneficial for the business.

Task three:

Write a 12-mark question for the knowledge learnt over the past week and answer it.

Task four:

Create a news story which focuses on a business, explain what has happened within the business. Analyse the impact on three specific stakeholders.

Task five:

Create a comprehensive document which reflects what we have learnt over the past few weeks. Include numerous amounts of knowledge and assess the impact it might have on businesses.

Task six:

Get a written exam answer from the teacher and mark it against the criteria. Re-writing the area where the student lost the most marks.

Task seven:

Take twenty words from the not-commonly used list and place them into a business related sentence to show your understanding.

Task eight:

Get given a topic and create a lesson to teach it (must be at least half an hour long)
Include:

1. Starter
2. Main
3. Plenary
