

GCSE Business Studies Homework Map

Business teachers decide on what homework tasks are to be set for a particular class. Below is a list of possible homework tasks that you may be set

The homework map can be used to deepen a student's learning within Business Studies and aid their progress. A student can choose a task from below to complete at home (if not set by their class teacher).

Exam questions are displayed in blue; these can be beneficial for students who understand the knowledge within a unit, but need to extend their learning.
