

INTRODUCTION TO MORRISBY

CAREERS PLATFORM

WHAT IS MORRISBY?

- Morrisby is a careers platform that uses a combination of psychometric assessments and questionnaires to give you an idea of where your strengths and preferences lie.
- After analysing your results, the platform offer impartial recommendations for careers and subjects that match your abilities and interests.
- Using the interactive tool, you can then research careers, search for courses and add your own ideas into the mix.
- Morrisby want the process to be as dynamic as possible, so they also allow you to boost the importance of any elements that are particularly important to you, such as talents or working environment.
