5 GCSEs grade 4+, incl. English & maths	**80.5%**	**351st**	**1st**

How to read these rankings

Positions are calculated from the provisional 2025/26 dataset, not official DfE league-table ranks. Comparison includes non-independent schools with at least 20 pupils in the reported cohort. Southampton comparison uses the same criteria (14 schools). Tied values share the same rank.
